

URAL DEMOGRAPHIC FORUM 2022

**GLOBAL CHALLENGES FOR
DEMOGRAPHIC DEVELOPMENT**

CALL FOR PAPERS

**Dear Colleagues,
We are pleased to invite you to the 13th Ural Demographic Forum
“Global Challenges for Demographic Development” (UDF-2022)**

Purpose: enhancing scientific cooperation, exchanging experience and scientific results achieved by Russian and foreign researchers in the field of population science and related disciplines, improving research strategies, and offering practical recommendations concerning demographic development.

Forum traditionally brings together the representatives of the government, academia, public organizations, theorists and practitioners in the field of population science and related disciplines.

**2-3
June,
2022**

PARTNERS
