FACTORS AND MECHANISMS OF DEMOGRAPHIC DEVELOPMENT

International Scientific Conference XVI Ural Demographic Forum (UDF-2025)

Dear colleagues,

We kindly invite you to take part in the XVI Ural Demographic Forum “Factors and mechanisms of demographic development” (UDF-2025), which will be held in Ekaterinburg on 4-6 June, 2025.

UDF-2025 aims at enhancing scientific cooperation, exchanging experience and scientific results achieved by Russian and international researchers in the field of population science and related disciplines, improving research strategies, and offering practical recommendations concerning demographic development.

UDF-2025 will traditionally bring together representatives of the academia, authorities, public organizations focused on social, demographic and migration policy. As part of the event, the contest “Demography of the native region” and a workshop for young scientists will be held. At the workshop you will have the opportunity to present your research findings and receive feedback and recommendations from leading Russian experts in the field of demographic research (demographers, historians, sociologists, philosophers, economists).

The Proceedings of UDF-2024 will have been issued by the beginning of the Forum. All articles will be indexed in Russian Index of Science Citation (RISC). Publication of papers indexed in RISC is free of charge, no registration fee required. Individual articles (on the recommendation of the Organizing Committee) will be published in scientific journals included in the VAK list (K1): *AlterEconomics and Management Issues*

Conference participation mode: face-to-face and online

UDF-2024 Scope:

1. Historical factors of demographic development
2. Socio-economic factors of demographic development
3. Fertility: research as a basis for developing mechanisms of positive impact
4. Contribution of state programs and national projects to the health of the nation
5. Sociological and psychological aspects of demographic processes
6. Migration and migration policy in the context of modern challenges
7. The role of civil society in the formation and implementation of Russian demographic policy in the light of new national projects
